

REMARKS

Applicant requests entry of the amendment to claim 31 under 37 C.F.R. § 41.33(a) after the filing of a Notice of Appeal, but prior to the filing of an Appeal Brief. By this amendment, claim 31 is presented in better form for consideration on appeal.

As requested by the Final Office Action dated February 25, 2008, claim 31 is amended to delete the terms “attention deficit disorder” and “drive.” As also requested by the Final Office Action, claim 31 is amended to recite both “psychiatric disorder” and “psychiatric function” in the body of the claim as in the preamble.

Because this amendment presents claim 31 in better form for consideration on appeal, Applicant respectfully submits that entry of the amendment is proper under 37 C.F.R. § 41.33(a) before the filing of an Appeal Brief. *See* MPEP 1206.

The Commissioner is authorized to charge all required fees, fees under § 1.17, or all required extension of time fees, or to credit any overpayment to Deposit Account No. 11-0600 (Kenyon & Kenyon LLP).

Respectfully submitted,

/Steven S. Yu/
